About the Institution:

Shree Krishna College Sikandra was established in 2016 with the purpose of providing trained teachers to the school and the best civilized leaders to society. Our institution is recognized by UGC under section 2(f) and 12 (B). The institution is managed by Shri Krishna Public School Shikshan Sansthan Sikandra , Dausa and affiliated with the University of Rajasthan, Jaipur for B.A-B.Ed. & B.Sc-B.Ed and B.A. & B.Sc. Courses.

The institution provides adequate opportunities for the holistic development of teacher trainers through co-curricular and extra-curricular activities. The institution imparts quality education to meet the changing needs of society. The institution creates an environment conducive to continuous learning through the quality teaching-learning process.

About the Seminar :

Shree Krishna College, Sikandra Is organizing One day National Seminar on Microwave communication device (Space TWTs) And It's Application. Microwaves are everywhere in current technology, especially in the most popular television industries. We can notice that TV programs are accessible all over the world, so the microwave's wide wavelength or frequency permits for the transcontinental change for TV content. By using different kinds of complex network, limited stations get TV signals & immediately transform the signal to a more suitable lower signal.

Objectives of Seminar:

- To Awareness about Microwave communication device.
- To knowledge about Microwave Device.
- To Knowledge how to work Microwave in a Communication Device.
- Properties of Microwave.
- Types of Microwave Communication Device.
- Application of These Device.

Important Date :

Last Date of registration - 04 August 2023

Date of Seminar - 05 August 2023

Registration:

- For registration fill online form
